GREETINGS FROM YOUR PRESIDENT

Happy November Creatives!

Fall is in full swing and I wanted to remind everyone about the paint out we have planned with Southwestern Watercolor Society of Fort Worth on November 7th & 8th. We are meeting at the south end (downtown side) of the suspension bridge at noon. Please try to come one or both days. Saturday night everyone will meet up at Ninfa's for a little show and tell.

Austin Avenue Art Fair is November 22nd & 23rd. Come check out the CTWS booth at the Herringbone Hotel and our Art Walk artists. In the booth at the Herringbone Hotel, Saturday, November 22, 11am-8pm and Sunday, November 23, 11am-4pm are **Cheryle Chapline, Laura Kvalheim, Mary Belf** and **Lisa Koets**. On Saturday 11am-4pm, **Cindy Boney** and **Sarah Pick** have booths in the Art Walk, and **Suzi Ickles** will be in front of the Herringbone Hotel painting. Come by and say "Hi!"

NOVEMBER

MONTHLY PROGRAM

Background Basics & Framing 101 with Cheryle Chapline

NOVEMBER MONTHLY PROGRAM ... continued

The CTWS monthly program for November will be lead by our own expert watercolor painter, **Cheryle Chapline**. Cheryle has been passionately teaching one-on-one and group watercolor and drawing classes privately since 2000 and is a frequent presenter for watercolor and fine art groups. She will be presenting information on the how's, why's and where's of painting a background for our paintings. The focus will be on still life and botanical backgrounds, though the techniques presented can be applied to other subjects as well. Color choice, use of lost and found edges, pigments bleeding from the subject to background and vice versa, the dramatic use of dark or light paths through the painting, glazing vs. single application of paint, convincing but suggestive use of background imagery implying instead of presenting realistic imagery, implying a light source and more will be covered. Ms. Chapline will bring a number of completed paintings demonstrating effective backgrounds and will also be painting live a glazed background for a botanical at approximately 12"x16". This will be followed by a quick dive into the ins and outs of framing, where we will discuss requirements regarding framing for our CTWS exhibits.

Supplies List

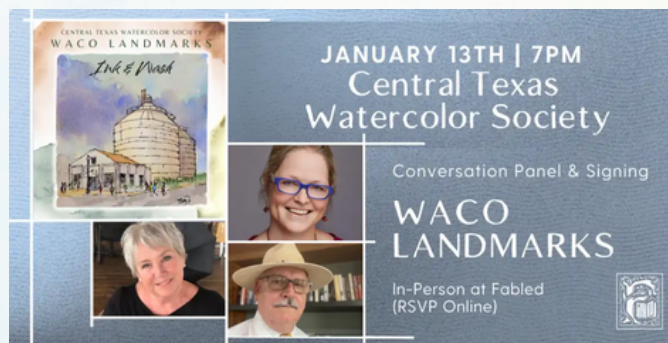

Plan to bring an incomplete still life, botanical or portrait painting of your own (and reference material) that you haven't painted the background (preferably not over 12"x16"). Alternately, bring a painting that has, at a bare minimum, a contour drawing of your subject drawn on watercolor paper.

Your regular painting supplies, a sketchbook, an Ebony pencil or similar soft leaded pencil, larger open palette area that allows for puddles of individual hues and masking tape and backing board should be brought to the meeting.
